MEMORANDUM FOR

THE HONORABLE DAVID NEWSOM
Under Secretary of State for Political Affairs

THE HONORABLE FRANK CARLUCCI
Deputy Director of Central Intelligence

SUBJECT: Political Intelligence Tasking

At our meeting on June 5, we agreed to undertake the following tasks:

1. The vulnerability studies on the 16 countries discussed in our meeting should be reviewed in greater detail with particular attention to identifying gaps or problems in reporting and analysis (both in the field and in Washington). The conclusions of this effort should be conveyed to each of the Ambassadors and their views and recommendations solicited for ways to remedy these problems and gaps. The Ambassadors' responses and the views of State and CIA Headquarters should be melded into an action program for each of these countries. In addition to the 16 countries discussed at the meeting, the following vulnerability studies should be included in the effort: Panama, Peru, El Salvador, Guatemala and Nicaragua. Our Embassy at the Hague should be tasked to prepare a vulnerability study along the lines of those above for the Netherlands.

25X1

Gates, Wisner and Davis will meet to organize this effort and get it under way. (TS)

2. The Department of State should respond to my questions concerning [redacted] Egypt by June 12. (TS)
